

City of Lewiston Standards for Public Works Construction

## Table of Contents

<u>NO.</u>	<u>CATEGORY</u>	<u>PUBLICATION DATE</u>
<b>1</b>	<b><u>General Standards</u></b>	
1-1	Utility Locations . . . . .	March '13
1-2	Utility Pedestal & Trench Detail . . . . .	February '09
1-3	Street Monument w/ Frame & Cover . . . . .	December '17
1-4	Back Fill – Class 'A' . . . . .	March '13
1-5	Back Fill – Class 'C' . . . . .	March '13
1-6	Back Fill – Class 'D' . . . . .	March '13
1-7	Back Fill – Class 'F' . . . . .	March '13
1-8	Identifying Tape Detail . . . . .	February '16
1-9	Concrete Street Repair Detail . . . . .	February '09
1-10	Adjust Utilities . . . . .	December '17
1-11	Curbside Mailbox Detail . . . . .	February '09
1-12	Clear Vision Area . . . . .	February '09
1-13	Disabled Parking Sign Installation . . . . .	February '09
1-14	Disabled Parking Stalls . . . . .	February '09
1-15	Parking Layout Dimensions . . . . .	February '09
1-16	Parking Lot Section . . . . .	February '09
1-17	Sidewalk Drain Detail . . . . .	March '21
<b>2</b>	<b><u>Concrete Standards</u></b>	
2-1	Driveway Location & Width Requirement . . . . .	February '09
2-2	Retention Swale . . . . .	December '15
2-2A	Narrow Retention Swale . . . . .	December '15
2-3	Inlet Apron . . . . .	June '10
2-4	Valley Gutter . . . . .	February '09
2-5	Detectable Warning for Pedestrian Access . . . . .	September '10
2-6	General Notes for All Types of Curb & Gutter . . . . .	February '13
2-7	High Back Curb and Rolled Curb & Gutter . . . . .	February '09
2-8	Concrete Sidewalk . . . . .	August '15
2-9	Pedestrian Curb & Type 'A' Curb . . . . .	February '09
2-10	Depressed Curb Section . . . . .	March '09
2-11	Sidewalk Ramp Type 1 . . . . .	September '10
2-12	Sidewalk Ramp Type 2 . . . . .	March '17
2-13	Sidewalk Ramp Type 3 . . . . .	September '10
2-14	Single Perpendicular Ramp with Buffer . . . . .	September '10
2-15	Single Perpendicular Ramp without Buffer . . . . .	September '10
2-16	Driveway Approach - Split Apron Sidewalk . . . . .	February '13

2-17	Driveway Approach - Buffer Strip . . . . .	February '13
2-18	Driveway Approach - Jogged Sidewalk . . . . .	January '18
2-19	Driveway Approach - Wide Sidewalk . . . . .	February '13
2-20	Typical Two-way Arterial Street Driveway Approach . . . . .	March '09

**3 Street Standards**

3-1	Private Shared Driveway: 30' Common Access Easement . . . . .	March '17
3-2	Orchard Residential Street: Two 10' Travel Lanes . . . . .	March '17
3-3	Local Residential Street: Infiltration Drainage . . . . .	January '15
3-4	Local Residential Street . . . . .	February '09
3-5	≤ 500' Cul-De-Sac Roadway w/ Infiltration Drainage. . . . .	March '17
3-6	≤ 500' Cul-De-Sac Roadway . . . . .	February '09
3-7	Cul-de-sac Design . . . . .	February '09
3-8	Residential Collector w/ Infiltration Drainage . . . . .	February '09
3-9	Residential Collector . . . . .	February '09
3-10	Paved Alley . . . . .	February '09
3-11	Local Commercial w/ Infiltration Drainage . . . . .	February '09
3-12	Local Commercial . . . . .	February '09
3-13	Industrial & Commercial Collector . . . . .	February '09
3-14	Minor Arterial . . . . .	February '09
3-15	Corner Radius . . . . .	February '09
3-16	Typical Rural Roadway (within Impact Area) . . . . .	February '09
3-17	Curb Extension & Mid-block Choker . . . . .	November '12

**4 Water Standards**

4-1	Potable & Non-potable Waterline Separation . . . . .	November '09
4-2	Gate Valve Box w/ Assembly . . . . .	November '09
4-3	Combination Blow Off & Sampling Tap. . . . .	November '09
4-4	Thrust Blocking Detail . . . . .	November '09
4-5	Typical Water Meter or Utility Marker Location . . . . .	February '15
4-6	¾" Water Service Connection . . . . .	February '20
4-7	1" Water Service Connection . . . . .	February '20
4-8	1 ½" Water Service Connection . . . . .	February '20
4-9	2" Water Service Connection . . . . .	February '20
4-10	<del>Double Check Valve Assembly for 2" or Smaller . . . . .</del>	<del>February '15</del>
4-11	Reduced Pressure Backflow Assembly . . . . .	February '15
4-12	Fire Hydrant w/ Shut-off Valve . . . . .	January '24

## **5 Wastewater Standards**

5-1	Wastewater Private Service Connection . . . . .	December '10
5-2	Service Tap Options . . . . .	December '10
5-3	Type 1 Manhole Details . . . . .	November '16
5-4	Type 1A Manhole (Shallow MH) . . . . .	November '15
5-5	Pressure Wastewater System Service Connection . . . . .	December '10
5-6	Concrete Manhole Collar . . . . .	January '15
5-7	Manhole Frame & Cover . . . . .	November '12
5-8	Manhole Channel Details . . . . .	September '15

## **I Industrial Pretreatment Section (IPS)**

I-1	1000 Gallon Grease Interceptor . . . . .	June '10
I-2	1000 Sand Oil/Water Separator . . . . .	June '10
I-3	1500 Gallon Grease Interceptor . . . . .	June '10
I-4	1500 Sand Oil/Water Separator . . . . .	June '10
I-5	2000 Gallon Grease Interceptor . . . . .	June '10
I-6	2000 Sand Oil/Water Separator . . . . .	June '10
I-7	2500 Gallon Grease Interceptor . . . . .	June '10
I-8	2500 Sand Oil/Water Separator . . . . .	June '10
I-9	3000 Gallon Grease Interceptor . . . . .	June '10
I-10	3000 Sand Oil/Water Separator . . . . .	June '10
I-11	Sand Trap . . . . .	June '10
I-12	Interceptor/ Separator Manhole Frame & Cover . . . . .	June '10

## **6 Stormwater Standards**

6-1	System General Notes . . . . .	November '16
6-2	Type 1 Manhole . . . . .	December '10
6-3	Type 1A (Shallow) Manhole . . . . .	December '10
6-4	Manhole Concrete Collar . . . . .	January '15
6-5	Manhole Frame and Cover . . . . .	December '10
6-6	General Catch Basin Notes . . . . .	December '10
6-7	Catch Basin Frame and Grate . . . . .	November '13
6-8	Type 1 Catch Basin . . . . .	December '10
6-9	Type 1A (Shallow) Catch Basin and Reduction Slab . . . . .	December '10
6-10	Standard Curb Drop Inlet . . . . .	December '10
6-11	Special Curb Inlet Type "2". . . . .	December '10
6-12	Sidewalk Drain Detail. . . . .	March '21

**7     Solid Waste**

7-1    14'x10' Refuse Container Storage Area ..... October '10  
7-2    10'x10' Refuse Container Storage Area ..... October '10
